

Sous le haut patronage du Ministère de la Santé

Société Algérienne de chirurgie du Genou,
de la Hanche et d'Arthroscopie

October, 17 & 18 - 2025

SHERATON, Algiers

PERIPROSTHETIC JOINT INFECTION (PJI)

With more than 300 ICM 2025 new recommendations

SCIENTIFIC PROGRAM

Scientific partners

INTERNATIONAL JOINT CENTER

INTERNATIONAL
CONSENSUS MEETING (ICM)

OPTIMUS

VENDREDI 17 OCTOBRE 2025

08:30 Accueil des participants

09:00 Ouverture et mot du président du congrès

M. Amghar

Modérateurs : F. Ziani - W. Baarir - Y. Talbi

09:15 Hip and knee Prosthetic Joint Infections: From prevention to management

L. Nebchi

09:30 Medical management of Prosthetic Joint Infection

W. Baarir

09:45 Soft-Tissue coverage for infected total knee prosthesis

M. Amghar

10:00 Arthrodesis and amputation in infected Total Knee Arthroplasty (TKA)

Z. Saidi

10:15 Discussion

10:30 Digitization of medico-legal documents in orthopedics

D. Azzouz

10:45

Coffee break ☕

Modérateurs : R. Benbakouche - M. Oubira - I. Ghadi

11:15 ICM 2025: What happened in Istanbul

 J. Parvizi

11:30 Is there a role for preoperative dental screening in patients undergoing major orthopaedic procedures?

A. Adjal

11:45 Does operative time influence the incidence of Surgical Site Infection (SSI)/ Periprosthetic Joint Infection PJI after major orthopedic surgery?

L. Ait El Hadj

Does the use of pulsatile lavage influence the rate of surgical site infection?

L. Ait El Hadj

12:00 Why choose a high-flex knee prosthesis? I. Ghadi

Meril

12:15 Protecting beyond the procedure: Rivaroxaban, an ally for surgical performance

H. Mesbah

 BEKER

12:30 Workshop : Total Knee Arthroplasty (TKA) procedure S. Abdelmoumen

 CERAVÉR

13:00

Lunch break ☕

Modérateurs : M. Hamidani - M. Amghar - A. Benamirouche

14:00 What is a new in ICM-Ortho 2025: Diagnosis of knee and hip PJI?

 K. Hakan

14:15 What is a new in ICM-Ortho 2025: Prevention and treatment of knee and hip PJI?

 A. Burak

14:45 Does the type of spacer - Articulating or static (handmade or primary implant) - Influence the outcome of two-stage revision arthroplasty?

I. Ghadi

15:00 Can oral antimicrobials be used for the treatment of implant associated infection?

A. Adjal

what is the optimal prophylactic antibiotic for patients undergoing primary arthroplasty?

A. Adjal

15:15 Discussion

15:30 Role of Hymovis in degenerative meniscal lesions. le rôle de l'Hymovis dans les lésions méniscales dégénératives

L. Ait El Hadj

15:45

Coffee break ☕

Modérateurs : N. Boukhechba - N. Mahdi - A. Cheriet

16:15 Ilio-tibial band tenodesis in combination with ACL reconstruction

 A. Abdelaziz

16:30 Arthroscopic arthrolysis for stiff Knee

M. Milat

16:45 Anterior shoulder instability

M. Bousaad

17:00 Muroid lesions of the ACL... From shadow to light

M. Sari

17:15 Discussion

17:30 Case report

I. Ghadi - M. Zaraa - K. Larbaoui

➡ **18:30** Allocution de Monsieur le Ministre de la santé et le Président de la SAGHA ⬅

➡ **20:30** Dîner de gala ⬅

SAMEDI 18 OCTOBRE 2025

Modérateurs : M. Medjahed - L. Belbouab - A. Amalou

- 09:00** Antibiotic treatment, dair, one and two stage treatment. What is the ICM suggestions?  **A. Burak**
- 09:15** Preparing for arthroplasty: Preoperative infectious risk factors  **S. Kallel**
- 09:30** How not to treat periprosthetic joint infection?  **K. Hakan**
- 09:45** We are wiser and stronger together  **J. Parvizi**
- 10:00** Discussion
- 10:15** A joint registry: What benefits for the patient, the surgeon, and society?  **A. Lübbecke**
- 10:30** Targeted antibiotic therapy in orthopaedics: Advantages of the "Joint Infection" molecular panel over conventional microbiology **M. Bachtarzi** 
- 10:45** **Coffee break** 

Table Ronde : All around the cup

Modérateurs : M. Nouar - K. Larbaoui - Z. Oumlergueb

- 11:15** Screws in the acetabulum: Reassuring the patient or the surgeon? **L. Ait El Hadj**
- 11:30** Ceramics: Still a good idea?  **M. Zaraa**
- 11:45** Revision hip: Implant removal management of bone defects  **A. Burak**
- 12:00** Total hip arthroplasty after acetabular fracture  **M. Zaraa**
- 12:15** The protrusio acetabuli  **N. Bonin**
- 12:30** Discussion
- 12:45** Hyaluronic acid: Which dosage for which treatment? **M. Rekaoui** 
- 13:00** **Lunch break** 

13:45

Assemblée générale de la SAGHA

Modérateurs : Z. Kara - A. Midas - F. Korti

- 14:30** Preoperative risk factors for Prosthetic Joint Infections: What evidence?  **S. Kallel**
- 14:45** The role of arthroscopy in TKA  **M. Al Assel**
- 15:00** Early revision for infected Total Knee Arthroplasty (TKA) **I. Ghadi**
- 15:15** Spacer and two-stage revision of Total Knee Arthroplasty (TKA): Why and how?  **S. Lustig**
- 15:30** Orthopaedic surgery and thromboembolic risk: focus on direct oral anticoagulants (DOACs) **M. Ouali** **hikma.**
- 15:45** **Coffee break** 

Modérateurs : N. Khernane - M. Yakoubi - M. Milat

- 16:15** Spinal alignment and knee osteoarthritis **Y. Naceri**
- 16:30** Bon voyage: Tracking and stopping the spread of orthopedic infections **N. Rehaimia**
- 16:45** Post operative avascular necrosis in intertrochanteric fracture  **R. Al Daghlly**

17:00 Management of Periprosthetic Joint Infections After Total Hip Arthroplasty: A Retrospective Study of 20 Cases.

H. Bouchachia

Co-auteur : S. Amouri - M. Yakoubi

17:07 Surgical treatment of knee osteoarthritis with genu varum: Tibial Valgus Osteotomy vs Total Knee Arthroplasty (TKA).

N. Abderrezak

Co-auteur : A. Kemih - M. Bereh - T. Bouzidi

17:14 Soft Tissue Sarcomas: Management, Therapeutic Protocols, and Outcomes - A Study of 120 Cases.

N. Bouali

Co-auteur : A. Khial - M. Mokhtari - M. Belouadh

17:21 Infections After Total Hip and Knee Arthroplasties: Department Experience and Results.

L. Nebchi

Co-auteur : N. Rouag - A. Mazari - M.S. Saidi

17:28 Arthroscopic treatment of anterior bony impingement with ankle stiffness.

H. Haouari

Co-auteur : L. Ait El Hadj - H. Grine - A. Benamirouche - M. Yakoubi

17:35 Risk Factors and Morbidity of Periprosthetic Joint Infections: An Update.

B. Benattou

17:42 MPFL reconstruction in patellar instability: Bone fixation vs soft tissue fixation.

H. Grine

Co-auteur : M. Yakoubi

17:49 Postoperative infections after closed femoral shaft fractures: A prospective study of 142 patients (2023–2025).

L. Nebchi

Co-auteur : N. Rouag - F. Benkaci - M.S. Saidi

17:56 How to prevent the risk of Periprosthetic Joint Infection (TKA)?

N. Abderrezak

Co-auteur : A. Kemih - M. Bereh - T. Bouzidi

18:03 Interest of early management of knee osteochondritis dissecans: About 3 Cases.

H. Grine

Co-auteur : A. Benzeghiba - M. Yakoubi

E-POSTER

18:10 Femoral neck fracture around a 50-year-old alignment nail

H. Grine

Co-auteur : M. Yakoubi

18:14 Septic loosening of a Total Hip Arthroplasty (THA): A case report

N. Bouali

Co-auteur : A. Khial - M. Mokhtari - M. Belouadh

18:18 Slipped capital femoral epiphysis in a 24-year-old adult: A case report associated with incidentally discovered hypothyroidism

H. Grine

Co-auteur : A. Bendifallah - A. Ghorma - M. Yakoubi

18:22 Merkel cell carcinoma of the lower limb: Surgical management and one-year outcomes - A case report

A. Mahlali

Co-auteur : D. Yazid, F. Korti

18:26 Giant sacral chordoma and multidisciplinary management

D. Yazid

Co-auteur : F. Korti

18:30 Pigmented villonodular synovitis of the hip: A case report

D. Yazid

Co-auteur : F. Korti

18:30 Clôture du congrès
